PBIS (POSITIVE BEHAVIOR SUPPORT)

We have done a good job of building our school expectations into our everyday lessons. Some teachers having been posting the Character Trait of the Week in the classroom and talking about it daily by reminding students how they can demonstrate it. Let's see if we can do this school wide. After the Thanksgiving Break, we will begin to have grade levels help us with the flag salute in the mornings. A **huge** group of students helped on Friday morning clean up garbage in front of the multi. Thank students and thank you Eva for organizing it.

COMMON CORE/PROFESSIONAL DEVELOPMENT

We have had several teachers attending conferences and workshops within the last few months on Common Core implementation, classroom management and use of technology in the classroom to engage students. The expectation of attending these workshops will be to share the new learnings with the rest of the staff so we can share the wealth. A form will be available for attendees to fill out upon their return to give to Mrs. Brusa and then you will be scheduled to share out during PLC time or at our Faculty meeting PD time. We will be having our next PD on Wednesday, December 3 at 3:15 on next steps with Text Complexity. Rock on GAB!

WHAT'S NEW IN THE SOLEDAD UNIFIED SCHOOL DISTRICT?

Please let parents know we love feedback! Ask them, if you haven't already, if they would take a moment to take a quick survey for our school. They can go to the district website or take on their own by going to one of the following links:

SPECIAL REMINDERS

- All staff:** Please do not leave the doors open or unlocked to the lounge and the old office. It is important that we prevent students going into either of these buildings. Students should not be going into the lounge to make copies at any time. The fence with a gate will be put up around the old office soon and until then, it should remain locked.
- All staff:** Please do not allow students to leave campus (especially to the staff parking lot) during school hours. We need to have safety first always.
- Teachers:** Please check your email regarding the Literacy Book checkout system that Mrs. Martinez and Annette Aguilar have shared from Library Services. We want to make sure these books will be useful in your classroom and potential student check out, but that you have a system in place so we prevent loss. Thank you!
- It looks like we will have a Spring Program for all grades this year. No Winter Program will take place this year. More information to follow in an email from Mrs. Brusa.
- The new certificated yard duty schedule will be in force Monday, December 1. Information here in the bulletin and in an email following from Mrs. Brusa.
