- ☺ Thank you to all staff who are "going the extra mile" on our much needed rainy days to help keep kids safe and efficiently moved around school.
- ☺ Big whoop-whoop to Rudy for everything you do on a daily basis for everyone!
- ☺ Thank you to our **COST** team for the excellent meeting this week. We covered a lot of ground to support one another, our teachers, and most of all our **Students!**

COMMON CORE/PROFESSIONAL DEVELOPMENT

Thank you teachers for the input and participation this past week with our Text Complexity series and ongoing learning. District leadership will begin Instructional Rounds in the upcoming weeks before the holidays to see what utilizing and designing lessons with text complexity in mind as demonstrated by our students. They will be visiting Gabilan School on **December 16**. During our upcoming faculty meeting on December 17, we will continue our work with Text Complexity looking at Quantitative Measures and going in more depth with Lexile measures.

Our next professional development topic will be utilizing the data we gathered from the CPAA and MAP assessments. It is very exciting what we can learn from the data and how we can design next steps for individually helping our students.

WHAT'S NEW IN THE SOLEDAD UNIFIED SCHOOL DISTRICT?

Gabilan staff: Did you know that there is a display at the District Office with artwork from various sites around the district? The week we come back from Winter Break, it will be Gabilan's turn to display the fine arts taking place at **Gabilan Elementary School**. If you would like your class to provide our art representation for January, please let Mrs. Brusa know ASAP. And then...go check it out at the District Office!

SPECIAL REMINDERS

1. **All staff: Please remember to show up at Gabilan School at your contracted time and honor the time schedule for rainy days. We do not want students to not be supervised at any time and it is only professional and fair to honor your colleagues by arriving on campus on time, showing up to duties on time, picking up your students from recess and rainy day lunch schedule on time, and meetings on time.** Thank you for continuing to show professionalism and good customer service at all times. This is much appreciated.
2. We have tried to move everything that we need from the old office to the new office, but may have missed something that may make it hard for someone to do their job efficiently. Please just let us know in the office especially if our support is needed. Thank you for your flexibility and patience in this matter.
3. The lyrics for the songs that will be sung at our Winter Sing a Long, scheduled for Friday, December 19, at 8:15 at YMCA, will be given to classes at the beginning of the week so you can practice with your classes.
4. More detailed information on the Limo ride for our top Cookie Dough fund raiser will be out the beginning of the week. The limo ride will be **December 17. The list of who will attend and permission slips will be given out to teachers with students attending. :)**
5. Please let Mrs. Brusa or Erica know if you did not get a copy of the new duty schedule. They were put in your boxes. Please let us know if you need a hard copy of the bulletin each week. If we do not hear from you, we will assume you received it digitally.
