## Weekly Staff Newsletter: November 17 - 21, 2014

### PBIS (POSITIVE BEHAVIOR SUPPORT)

The Learners Edge, a self-paced distance learning course guide for salary advancement and License renewal for Fall/Spring 2014-2015, has course offerings for PBIS for three units. One is called PBIS 101 and gives a great overview of the PBIS program and action steps to determine readiness to implement PBIS in our schools. Raise the Bar: Positive Interventions for Students who Challenge Us, is an online course for three credits that gives you plenty of techniques and strategies for K-8 teachers to proactively assist students in achieving target behaviors through positive behavior intervention. The flyers will be in teacher boxes this week. These classes are a gradual way to move yourself up on the teacher pay scale.

### COMMON CORE/PROFESSIONAL DEVELOPMENT

Parents will be receiving the Common Core Road maps for ELA and Math. These explain to parents what children will be learning and how parents can support learning outside the classroom. If parents go to [GreatKids.org](http://GreatKids.org) - they can view short videos that show essential skills in reading, math and writing and what they look like grade by grade. The California State PTA has made available many resources for parents to learn more about the CCSS and support their child's achievement of the standards. Resources include frequently asked questions, presentations, a parent's guide, links to additional resources, and articles of interest (<http://www.capta.org/sections/programs/e-standards.cfm>).

### WHAT'S NEW IN THE SOLEDAD UNIFIED SCHOOL DISTRICT?

Have you gone to our district website? Have you seen what's new? You can go there and check out the new program to create new field trips and vehicle requests. It is called the SchoolDude/Field Trip Direct. You must make your request five days from requested date. There is also training video at TD Requester Video. Check it out: <http://soledadusd.org>.
