PBIS (POSITIVE BEHAVIOR SUPPORT)

Please support implementation of our standards for behavior for all areas of the school on a daily basis. Thank you to all members of room 7 for showing the great character trait of Kindness by picking up all the lost and found clothing off the playground to put on the hooks by the multi.

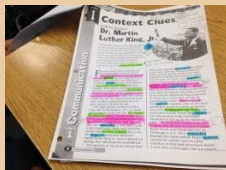

IT'S HAPPENING AT GABILAN SCHOOL!!!

Keeping student focused.

6th graders working on text complexity

Teachers posting clear objectives for lessons.

KUDOS - THANK YOU'S - THUMBS UP - WHOOP WHOOPS

- ☺ Kudos to Mrs. DeLira and Mrs. Martin for beginning the work with our Math coach.
- ☺ Thank you to our resource team for the home visit that got the 'support ball rolling' for a student in need. What an awesome team!
- ☺ Kudos to Anely Aguilar, our Americorps tutor, for all her hard work helping Kindergarten and first grade students.
- ☺ Thank you, thank you, thank you Mrs. Flores and Mrs. Magana, for being such SUPER SUBS!

COMMON CORE

What great work was accomplished at our Professional development day on Monday! Our first module on Text Complexity was very informative and we will continue with Module 2 on Wed. Oct. 15. Please check out the website presented in the email Dr. Boyd forwarded to us all from the CDE called mydigitalchalkboard.org. It is a loaded virtual meeting place for educators to get connected, collaborate, and share best practices, best resources, best strategies- you might say, the best of the best. It has modules that are products of collaborative efforts between the CDE ad content and professional learning experts throughout CA to help educators transition to the Common Core State standards.

CURRICULUM CORNER / PROFESSIONAL DEVELOPMENT

- ☺ We are very excited, with thanks to our Director of Teaching and Learning Cresta McIntosh, for including our school in the opportunity to work with Chase Orton, Math Academic Coach. He will be working with individual teachers as well as grade levels on areas they choose to focus on and most specifically lesson studies. More to come about this exciting opportunity.

SPECIAL REMINDERS

1. All teachers please be diligent in NOT ALLOWING cheating on AR. It is becoming a problem particularly those older students testing on iPads.
2. Please make sure your weekly PLC minutes are turned in to Mrs. Brusa by Friday morning. Thank you to all the grade levels who do in fact turn them in weekly. It really does help our office and resource staff follow up on grade level needs.
3. Please continue to have your students collect **Box Tops for Education** throughout the year. It really does help us raise money for the school.
4. Our second Parent University with the topic of Literacy is coming up fast. It will take place on Thursday, October 23 from 6:00-7:30.
