WEEKLY BULLETIN

APRIL 26 - 29, 2016

CURRICULUM

- Thursday 4/25, 6th grade teachers will be meeting at the C&I Building starting at 2:15 p.m. to go over the HM Version of Math. Please bring your Teacher's Edition, Student Edition, Teacher Planning Guide, and Assessment Guide.
- Summer School will be taking place this summer at Frank Ledesma. The focus will be the New Generation Science Standards (NGSS) and academic enrichment. Summer school will run from June 13 - July 1. We will have a total of 6 openings (incoming Kinder to 6th grade). Special Education Extended School Year will be from June 13 - July 8.
- CAASPP testing will start on Monday, April 25. We have scheduled two classes to test each day, one in the computer lab and one on the chrome books. Due to testing, the computer lab will be shut down. Please make sure students bring their earbuds and 3x5 index cards with their login information. All Testing will begin by 8:30 a.m.

STUDENT CULTURE

- Students enjoyed sliming Mr. Douty this Friday afternoon! All staff has played an important role in encouraging students to be on time on a daily basis. Those extra minutes every morning make a big difference when optimizing instructional time and when teaching responsibility.
- Student Assemblies are scheduled for Wednesday, April 27. This will be a personal success assembly. Please remember to complete your certificates and notify parents before the assembly.

KUDOS - TEAMWORK

- ☺ Valerie for preparing and organizing our sliming event!
- ☺ Alma and Mr. Radillo for scheduling IEPs!
- ☺ Heather for leading the LEXIA intervention support!
- ☺ Alfredo for mounting our TV's in the computer lab!
- ☺ Nathan for creating the CAASPP testing schedule!
- ☺ Kinder and JK for their vertical collaboration!

CODE BLUE PRACTICE DRILL

We were able to account for ALL students in 15 minutes and 36 seconds. In an emergency, it is of vital importance that we account for students and bring them to safety as soon as possible. Please remember to text your designated person as quickly as possible and let them know if your class is: ALL present, has EXTRA students, has MISSING students. We are trying to improve our communication during these times of emergency. Kudos to Linda's group for being the first group to respond during our first Code Blue Drill!
