WEEKLY STAFF NEWSLETTER: APRIL 4 - 8, 2016

SCHOOL SITE COUNCIL

Our school site council has given their LCAP input. This will be forwarded to the district. One of their main concerns is providing free or low cost internet connections for our students at home. If you hear of any programs that offer this, please let me know.

PBIS

Our school has been selected to showcase our PBIS components at the county! This is a tremendous compliment to all of your hard work in implementing PBIS this first year! As a school, Gabilan has come a long way in its promotion of positive behavior and intervention systems for our students. We should all feel extremely proud of this work and in how well our students have taken PBIS and applied it throughout the school day.

AUDITS

- Attendance – we did a great job and passed with no findings! A huge thank you goes out to Rosa for meticulously preparing for this audit!
- Cafeteria – another great job! Please thank your students for being orderly, mindful, and respectful in the cafeteria! Don't forget to thank the cafeteria staff for all of their hard work in preparing for this audit!
- ASP – another great report with zero findings! Thank you to Mr. Douty for having everything in order with ASP!
- ASB – there were no major findings here! We will be revisiting ASB guidelines for future fundraisers as there were some tracking procedures that need to be improved. There are also some changes to how we raise funds, we will go over those at a later staff meeting. Kudos to Erica for keeping us all in line and within our budgets!

KUDOS - TEAMWORK

- ☺ Heather for representing Gabilan at the LCAP Stakeholders meeting!
- ☺ Elise, Rudy, Rosa for coaching Volleyball!
- ☺ 3rd and 5th grade for working with Chase!
- ☺ Eric for fixing our floor in the multi!
- ☺ Rudy for driving the bus when needed!

LESSON PLANS

Please remember to get those in every Monday morning by 10 a.m. If you have used the lessons in your sub bin, make sure to replace those with new ones.

RESPONSE TO INTERVENTION

We have made some scheduling changes to the RTI schedule. Please make sure to note these. Every grade level, except 6th, should still be getting 3 sessions of intervention in one week. Sixth grade will now get 2 sessions, instead of 3, that will focus on the below grade level and at grade level groupings. All of the changes will begin when we return from Spring Break.

SOLEDAD EDUCATION FOUNDATION

Sign-ups to work the carnival are now on the district's website. Go to the Soledad Unified School District website and to the left of the screen you will find the Quicklinks. The Soledad Education Foundation Carnival (SEF) link will be the first one listed. If you can, please sign up to work a shift. This is an excellent opportunity to earn extra money for your classroom as well as to interact with the community.
