WEEKLY STAFF NEWSLETTER: JANUARY 18-22, 2016

PBIS (POSITIVE BEHAVIOR SUPPORT)

Valerie will be coming around to your classrooms to listen to your class recite the SOAR expectations. She will be starting with the classrooms that did not get this opportunity in the fall. The PBIS team is working hard at keeping the Eagle Store stocked with prizes that are motivating to our students. If you have any unique ideas for the Eagle Store, please let Valerie know.

PARENTS CORNER FROM ALMA CISNEROS

Triple P (Positive Parenting Program) classes will be starting on January 22 and run through March 11. This is an 8-week series focused on positive parenting strategies. Parents will learn various strategies to promote a positive and caring relationship with their child. They will also learn about different strategies regarding effective discipline and stress control. Triple P is research based and will help parents develop their own confidence in dealing with daily parenting decisions.

COMMUNITY ENGAGEMENT

Mr. and Mrs. Stephens will bring various artifacts showcasing what school was like for students 100 years ago. We are very grateful for this wonderful learning opportunity presented to our students.

COMMON CORE

Multiple measures of assessment is defined as using multiple indicators and multiple sources of evidence to assess student learning. Examples of multiple measures can include extended projects, oral presentations, extended math problems that require application to real world uses, discussions on a given topic or book, history reports, Power Points, writing a paper in a second language, as well as art or music projects. Many of these can be done individually or in groups so long as the purpose is clear. Multiple measures of assessment should be organized so that they can be re-scored by other educators as well. KUDOS - TEAMWORK

- ☺ To Rudy for his help with the crosswalk!
- ☺ To Nathan Douty for putting together all of our testing schedules!
- ☺ To Mary Bumgarner and Sonia Lee for piloting the ELA programs up for adoption!
- ☺ To Margarita for taking notes at the Leadership meeting!

STUDENT SAFETY

Our Fire Drill practice went well. We were able to get out and account for all students in 5 minutes and 38 seconds. This included accounting for all students outside your classroom (music, RTI, RSP) as well as getting our Adult Ed students out. Remember to keep your door unlocked during a fire drill. This will allow the office and support staff to enter and assist any students who are hurt or in danger. Erica will print 2 sets of red/green cards for your classroom. Both sets are to be kept in your emergency backpack and taken out upon exiting during an actual emergency or practice drill.

QUOTE OF THE WEEK
