WEEKLY STAFF NEWSLETTER: JANUARY 25-29, 2016

COMMON CORE

Mrs. Lee and Mrs. Bumgarner are piloting one of the new ELA programs being considered for district adoption. Both teachers are piloting Houghton Mifflin and are excited about the amount of online resources available.

Interim Assessments begin next week. These assessments mirror the CAASPP Assessments that students in grades 3-6 will take in the Spring. The Interim Assessments will give students a glimpse of the types of questions that will be asked as well as how and what they will be expected to respond. Because we are giving them now, it will also give us time to design learning opportunities that will address specific student needs.

PARENTS CORNER FROM ALMA CISNEROS

Our PBIS Parent University has begun. Mr. Pinedo and Mrs. Cisneros taught parents about the SOAR Expectations at Gabilan and discussed how those expectations could be extended into their homes. Overall, the parents that attended were very excited and pleased with the content presented. Gabilan's PBIS Parent University meets every Tuesday, from 8:30 a.m. - 9:30 a.m. in Room 2.

COMMUNITY ENGAGEMENT

Our next School Site Council meeting will be on Thursday, January 28. We will be discussing the importance of school attendance as well as brainstorming ideas for increasing our attendance and decreasing our tardies. Daily grade level attendance is now being displayed in the office, on the Parent's Corner bulletin board. If you have any ideas you would like us to consider, please forward them to Valerie or myself.

PBIS (POSITIVE BEHAVIOR SUPPORT)

Our Schoolwide lesson these last two weeks has been on "Respect." Please remind your students that this character trait is displayed in many ways and in all areas of life. Being respectful is a life skill they will need repeatedly. Showing and acting respectful is expected not only towards adults but, towards their peers as well.

STUDENT CULTURE

"Growing Together" is a program designed to increase positive communication between mothers (or other significant adults) and their daughters, in 4th-6th grade. The valuable time spent together allows mothers and daughters to explore their feeling, values and expectations. The program provides the opportunity to practice decision-making and problem solving skills as well. The program will run every Thursday during the month of February from 6-8pm in our Library. The cost of the program is \$20.
