## WEEKLY BULLETIN

MAY 2 - 6, 2016

### COMMON CORE

As we continue CAASPP testing next week, plan ahead and reteach/review the concepts your students struggled with throughout the year. This will help them to be better prepared as they work through the test. Remind them to elaborate/explain/justify their answers. Understanding a student's thought process is just as important as getting to the right answer.

### PBIS

Remember to keep enforcing and reciting the SOAR expectations, especially as we closer to the end of the year. The structured expectations will keep them focused on positive behavior and making smart choices.

### SPECIAL OLYMPICS

Ms. Berrin's students had a great time at the Special Olympics! This year the Special Olympics were held at Monterey Peninsula College. Students were able to compete in events such as: throwing, jumping, the mile, the 400 meter race, and the 50 meter race!

### STAFF APPRECIATION

Working with students is a very rewarding job although at times it may be easy to feel overwhelmed. This week we want to appreciate everything you do for our students from supervising them on the playground, to providing academic instruction, to counseling them in their times of need. As educators, we all wear many hats for our students as we plant the seeds of knowledge, instill positive character traits, and guide them to go on and become productive citizens of society. Our kids are amazing because they have amazing role models like you in their lives. Thank you for everything you do!

### LESSON PLANS

Don't forget to turn in your lesson plans every Monday. Planning out your instruction for the week will help you be prepared and keep your students focused academically. Lesson plans will also allow you to keep track of standards introduced and mastered.

### RTI

Early intervention can make a huge difference in closing the achievement gap. In an effort to target our younger readers, we have purchased 10 licenses for each class in grades Kinder through 2<sup>nd</sup> grade. Alma will be running these intervention groups 3 times a week.

### QUOTE OF THE WEEK

*"Forget all the reasons why it won't work and believe in the one reason why it will."*

### REMINDERS

- ❖ 5/2-5/20 - CAASPP testing continues
- ❖ 5/2 - 4<sup>th</sup> Grade Spaghetti Dinner Fundraiser
