## WEEKLY BULLETIN

MAY 23 - 27, 2016

### CURRICULUM

Teachers who piloted the two ELA programs up for adoption did a great job presenting both pros and cons for each program. Both programs have an online component in which students can access materials and textbooks at home as well as resources for students needing to be retaught and/or challenged with additional material. ELD is an embedded component as the ELD standards overlap with many of the new ELA CCSS. Along with integrated ELD, both programs also offer supplemental ELD material to be used during designated ELD time. Remember to cast your vote via email. The plan is to have all materials ordered and delivered before the new 2016-2017 school year.

### PBIS

Student safety remains a priority. Please talk to your student about walking vs. running and when each one is appropriate. Too often students are running in the walkways, colliding, and getting hurt. Review the Safety SOAR expectations and revisit the Lesson Plan provided by Ms. De Lira on the topic of safety. Students need gentle reminders so that they can remember to do the right thing even when no one is watching.

### STUDENT LEARNING

Keeping structure in your daily schedule will help students remain focused through the end of the year. The end of the year is filled with many exciting celebrations and field trips and those are all positive experiences. However, get back to the daily routine and structure as soon as the special event is over. Students thrive and maintain control much better in a structured environment.

### STUDENT ACTIVITIES

- The student talent show is scheduled for June 6. If your students are interested performing their talent, please have them come and see Mrs. Maturino for prior approval of their talent act. She will also give them specific instructions regarding their performance.
- We are still collecting toys for our toy drive. The toys will be offered as prizes during the last weeks of school to continue to motivate our students to follow the SOAR expectations. Continue to hand out Eagle Dollars when you see a student making a good choice. The Eagle Dollars will be their "ticket" to enter the drawings. Make sure student first and last names are on the Eagle Dollars.

### PLANNING AHEAD

- The last day to put in your supply order request for this year, will be Friday May 27<sup>th</sup>. Please plan accordingly for the remainder of the year.
- Make sure all walking field trips are entered into Field Trip Direct so that they can be approved.
- Class Loading will take place on May 25. The criteria for loading students into classes will be placed in your boxes next week.
