PBIS (POSITIVE BEHAVIOR SUPPORT)

One of the founding principles of PBIS is student safety. As we plan for this we have to consider safety on the playground as that is where students socialize in the largest settings. Our role is to provide coverage and supervision in these high-risk areas. Being out there on time and for the complete time is essential. It may take away 2 minutes of your instructional time but it is well worth keeping our students safe. Please make sure to be out to your assigned duty area on time and stay for the entire time.

SPECIAL REMINDERS

Please continue to walk your students outside through the gates at dismissal. It helps to reduce the dismissal congestion if students follow their teacher out.

- **11/9 -11/13** - Non meeting week for report card data entry
- **11/11** - Veteran's Day Holiday

WHAT'S NEW AT GABILAN!

Red Ribbon Week was a great success! We had many creative doors decorated and choosing the top 2 winners was tough! All doors were judged on creativity, originality, and student participation. Congratulations to Mrs. Lee and Mr. Pantoja!!

COMMON CORE/ PROFESSIONAL DEVELOPMENT

As students continue taking the NWEA assessments this week, encourage them to do their best. This standardized assessment mirrors the CAASPP in many ways. It will help students to pace themselves and it will give them practice with online tests. The NWEA will also give students practice with adaptive assessments. Remind them to persevere through the challenging questions and to look for context clues when they get stuck. Please finish NWEA testing this week.

STUDENT/PARENT/COMMUNITY INVOLVEMENT

Our Scholastic Book Fair was a great success! Valerie did a great job setting it up and displaying all of the books and school supplies. Students came through with their classroom teachers and many of them returned with their parents to purchase their items. All of the profits from this fundraiser will go toward Student Council.
