Focusing on Process, not Content is one of the shifts to common core. Edutopia.org explains it in the following manner: Test scores and grades may not accurately reflect a learner's success or failure, though parents and students spend enormous amounts of time, energy, and money chasing grades and scores because they believe these things are true indicators of learning. Hence, great teachers encouraged by great educational leaders must keep learners focused on the process, not the results. Students chasing scores and grades will lose sight of the learning process and their own growth and development. Like their athlete counterparts, they must focus instead on personal growth within the learning process if they desire better performance. When a language student, for example, focuses on mastering the language rather than making an A, the results will follow.

STUDENT ACTIVITIES

Girls Inc. is starting a new program this week called "Friendly Peer-suasion." This program teaches girls how to handle the peer pressure in today's world and how to navigate through social challenges including social media. This is a wonderful program, opened up to our 4th and 5th grade girls. Gabilan is the only school to offer this program and we are proud to say that we also have students from San Vi participating!

Our 5th and 6th grade girls will be having their final volleyball game on Monday, April 18. If you haven't had a chance to do so, come on out and support our girls!

WHAT'S NEW

Ms. Carroll will be long term substituting in Mrs. Villaseñor's JK class. Ms.Carroll is very excited to be working with our youngest learners! She comes from a Russian descent and has taught in both Russia and Shanghai! Welcome Ms. Carroll!

TEACHER EVALUATION TOOL COMMITTE

On Monday, April 25th from 3:30-4:45pm, the district will be hosting a certificated evaluation workshop to analyze and enhance our current tool. If you are interested in joining the team, please email Lupe Munguia at <u>Imunguia@soledad.k12.ca.us</u> or you can let me know and I can forward your name to Lupe. We would like to have one teacher from each site be a part of this process.

V.Y

Our students have reached their (and our) goal of ZERO tardies! As a reward, Mr. Douty will be slimed! This milestone has taken some time to reach, however, it was not impossible (although at times it was easy to get discouraged.) This is a great, real life lesson in perseverance. Congratulate your students and let them know that details regarding this special event will be coming soon!

WHAT'S NEW

Laura Zavala, the Pathways coordinator for Hartnell College and the Salinas Valley Adult Education Consortium came to Gabilan School and spoke to 21 adult education students about services offered at Hartnell College for students for ESL Students. Students were explained the steps they need to take to enroll at Hartnell, talked about financial aid, basic requirements to be successful at Hartnell. Students in class, will also visit the main campus of Hartnell, and the East Campus of Hartnell in late May. Hartnell College and Soledad Adult School will offer a FREE Intro to Construction class at Soledad High School starting Monday April 18. For more information contact Jaime de Pomaeo at depompeo@hartnell.edu. This is an intense class that is free in the afternoons. Anyone interested can also see Francisco Pinedo in Rm # 2 at Gabilan School from 8:00am-12:00 pm.

KUDOS - TEAMWORK

- Valerie for setting up Girls Inc. "Friendly Peersuasion"
