WEEKLY STAFF NEWSLETTER: FEBRUARY 15-19, 2016

COMMON CORE

As your students take an assessment, make a mental note of the wording in the questions. Is it straightforward? What is it really asking students to identify and respond to? What key vocabulary do you need to teach to your students in order to respond to the question correctly? Successful test taking is a combination of content knowledge and being able to identify and address the structure of a test.

PBIS

We will be having a PBIS training on Tuesday, February 16. Ms. Maturino, Ms. Bravo, and I will be attending. We look forward to learning about the next steps we need to take at Gabilan for full PBIS implementation.

PARENTS CORNER

Reclassification data is being analyzed. Parents will be contacted next week to come in and meet with Mr. Douty to discuss the possibility of reclassifying their child. Mr. Douty will also consult with the teachers to determine the best placement for the different classifications of English Learners.

WHAT'S NEW

Welcome Ms. Kezi (Kay-Zee) Selvaraj! She is our new Speech and Language Pathologist. Kezi comes to us from Mumbai, India. Her favorite food is pizza. Her favorite color is green. In her spare time, she loves to cook! Kezi has been in the United States for one week.
