PBIS LESSONS BY ROSALINDA DELIRA

As we wind down the year, we can reflect upon what strategies, skills and lessons were effective with our students in an effort to help them develop into their highest academic, social, and personal potential. An additional tool for our school this year was the PBIS Character Education Lessons. Attached to the last lesson, Self-Control, you will find some key indicators of exemplary implementation. Our goal this year was to fully implement year one. The indicators will help us identify to what degree we were able to do so. What do we still need to work on in order to make Gabilan exemplary? We will discuss this at our next meeting, please come prepared to share out thoughts and ideas.

Our youngest learners got to learn more about the farm this week as they took a field trip to the Salinas Valley Fair! There they learned about the different farm animals and even got to pet some of them.
