## WEEKLY STAFF NEWSLETTER: OCTOBER 12-16, 2015

### PBIS (POSITIVE BEHAVIOR SUPPORT)

Students now have assigned tables in the cafeteria. The new adjustments to the cafeteria are still being evaluated and refined. Our goal is for all students to use quiet voices, good manners, and leave their eating areas clean. By assigning the tables we will be able to hold students accountable for these 3 expectations. Make sure to follow the lunch schedule and take your students to lunch at the assigned time. This will not only alleviate the cafeteria congestion but it will allow students to sit in their designated areas.

### WHAT'S NEW AT GABILAN!

Scholastic News should have arrived in everyone's box by now. Scholastic News is an interactive, non-fiction based, student newsletter. Most of the topics are science or social studies aligned and all are grade level appropriate. You can use these newsletters to practice Close Reading strategies as well as for content learning. If your grade level Scholastic News(letters) have not arrived yet, please see Linda or myself so that we can follow up.

### COMMON CORE/ PROFESSIONAL DEVELOPMENT

Our Curriculum Associates books have arrived. These materials are Common Core aligned and can be used as consumable workbooks for students. Make sure to include them in your lesson planning. There is also a test prep component for grade 3-6. Collaborate as a grade level and decide together on the best use of this additional resource. You can decide to focus on a specific skill each time or decide on specific dates to focus on a group of skills.

### KUDOS - TEAMWORK

- 😊 To all staff for the productive Goal Setting Meetings. It was great to connect with you and learn where I can support you!
- 😊 To Linda for organizing all the Curriculum Associates books!
- 😊 To Alma for her scheduling of IEPs!
- 😊 To the Kindergarten team for providing snacks for our meeting!

### STUDENT/PARENT/COMMUNITY INVOLVEMENT

Aidee Aldaco, our District Wide Intervention Coordinator, did a wonderful job of coming out to our school and presenting the different resources for needy families during the Holiday Season. Parent Conference time is a great time for you to connect with the families and try to find the most appropriate program for them. The different programs have different deadlines so if you have a family in mind, make sure to get that information to Alma before the given deadline.

### QUOTE OF THE WEEK

*If we teach today's students as we taught yesterday's, we rob them of tomorrow.*
